AN AI-GENERATED FIRST ACT

The stage is set up as a typical living room. There is a couch, a coffee table, and a TV. The TV is on, and the couch is occupied

FIRST SCENE

What a loving relationship

DOE (*enters the living room*) Hey, Jane, what are you watching?

SMITH (*without looking away from the TV*) Oh, just some show about a guy who can talk to animals. It's pretty funny.

DOE (*walks over to the couch and sits down*) Oh, that sounds interesting. What's it called?

SMITH (*still not looking away from the TV*) I think it's called "The Animal Whisperer" or something like that. It's on every Tuesday night.

The TV show ends, and the screen goes black

DOE & SMITH Huh.

DOE (*stands up*) Well, I'm going to bed. Good night, Jane.

SMITH (*finally looking away from the TV*) Good night, John.

SECOND SCENE

A new day

DOE (*enters the living room*) Good morning, Jane. Did you sleep well?

SMITH (*yawning*) Yeah, I did. How about you?

DOE (*stretching*) I slept like a log. I feel great.

SMITH (*stands up*) Well, I'm going to make some breakfast. Do you want anything?

DOE (*sitting down*) No, I'm good. Thanks, though.

SMITH (*walks into the kitchen*) Okay, I'll be right back.

DOE (*to himself*) I'm so lucky to have Jane in my life. She's the best thing that ever happened to me.

SMITH (*from the kitchen*) What was that, John?

DOE (*smiling*) Nothing, Jane. Just thinking out loud.

THIRD SCENE

A surprise visitor

JACK (*enters the living room*) Hey, guys. What's up?

DOE & SMITH (*surprised*) Jack! What are you doing here?

JACK (*smiling*) I was in the neighborhood, so I thought I'd drop by and say hi.

DOE (*standing up*) Well, it's great to see you, Jack. How have you been?

JACK (*sitting down*) I've been good. Just working on some new projects.

SMITH Oh cool, what kind of projects?

JACK (*excitedly*) I'm working on a new app that's going to revolutionize the way we communicate.

DOE (*impressed*) That sounds amazing, Jack. I can't wait to see it.

JACK (*smiling*) Thanks, John. I'll be sure to show it to you when it's ready.

A TOTALLY DIFFERENT SECOND ACT

Haters would say it's still AI-generated
